		Ms. Lisa Brunner	Dr. Annette Walker	Mr. John Taylor	Dr. Luis Reynoso	Mr. William McGee
1/15/2014	<b>Unprofessional/ Inappropriate Behavior</b>		3:29:00—She and Reynoso have an argument. Not all words are heard over the microphone. Accuses Reynoso of insulting her intelligence.		2:02:50—Interrupts Superintendent. Mildly contentious during entire discussion on truancy. 2:18:10—wanted last word on truancy discussion. By this time, discussion is beat to death. 2:25:10—Mildly contentious. 3:29:00—Argues with Walker. Leaves room after that.	
	<b>Technical Mistakes</b>	3:18:30—Tells why she does not approve charter before vote.	3:22:10—says she will follow recommendation before the vote.	1:46:46—Tabled item without formally voting. 2:16:16—Allowed Dr. Walker to speak on truancy discussion item after he already said they were moving on to the next item.	Used the phrase “is going to be approved on the consent agenda” at 30:06. 2:42:48—Says it doesn’t look like it’s going to be approved, it doesn’t look like it’s going to get 3 votes.	
	<b>Notes</b>	Reynoso seems to dominate every discussion, and talks the most. Second to last motion voted on quickly with no discussion.				
1/29/2014	<b>Unprofessional/ Inappropriate Behavior</b>		2:34:30—Makes comments while a guy is presenting. Taylor tells her to wait until he is finished, but she says no and thanks the presenter for letting people talk.		Starting at 1:23:00—Being contentious and rude when asking questions about the contract. 1:27:10—talking over Ms. Brunner 1:30:00—he won’t let it go. 2:30:00—Made a joke that fell flat. 3:06:00—Acts frustrated when re-asking question. Laughs at presenter when she doesn’t answer him yes or no. 3:11:00—Relentless questioning on bond.	
	<b>Technical Mistakes</b>	4:12:20—“I will be voting to improve this”			57:30—Commenting on comments from person from community. 1:34:52—“I’m going to vote ‘no’ on it”. 1:45:00—Starts talking about why he’s going to vote no while Taylor is conducting the vote. 4:13:50—Tried to convince McGee to change his vote.	
	<b>Notes</b>	Person from community frustrated at board for how they cut off a lady who talked longer than 3 minutes with an interpreter. 1:32:00—Taylor warns Reynoso about his behavior because of how he’s discussing the contract. Reynoso continues to talk whenever he wants. Taylor not well respected. 3:13:00—Superintendent has to ask them to move on from bond discussion, because the financial presentation would be in a future meeting.				
2/12/2014	<b>Unprofessional/ Inappropriate Behavior</b>				1:24:00—Being mildly contentious. 1:26:30—Being a little rude. “Doesn’t make any difference; it’ll probably be funded anyway”. 1:27:00—Being rude and impatient. 2:04:00—Left the room sometime during J2 presentation, and came back during J3. 2:53:00—Asking same questions. Doesn’t seem to understand or listen well. 3:06:00—Being relentless in questioning outside the scope of the agenda.

		Ms. Lisa Brunner	Dr. Annette Walker	Mr. John Taylor	Dr. Luis Reynoso	Mr. William McGee
	<b>Technical Mistakes</b>			3:06:00—Lack of clarity in point of order, on whether they're in questioning or deliberation, and who should be talking.		
	<b>Notes</b>	1:29:19—Ms. Brunner says she had same question, but submitted it previously in writing, and they all have the answer on paper. Makes Reynoso look unprepared. 3:06:30—Taylor tried to maintain order and keep the meeting moving along, even though Reynoso wanted to keep questioning. Overall, Reynoso tends to drive discussions, and won't listen to answers unless they are presented exactly how he wants them to. Taylor is often ineffective at keeping meetings in order.				
2/13/2014	<b>Notes</b>	*No Video*				
2/26/2014	<b>Unprofessional/ Inappropriate Behavior</b>				1:23:20—Asks specific questions about expenditures. Superintendent responds by saying he should have requested the information in advance so they could show the board the invoice. 1:48:00—left room during J2 presentation. came back at 1:58:30, apologizing and saying he had to get coffee. 2:51:00—Starts to get on partial soap-box. 2:57:00—Mildly contentious. 3:12:00—Being mildly contentious with the Superintendent. Argument seems out of scope of situation.	3:16:20—Being sarcastic with Reynoso.
	<b>Technical Mistakes</b>	1:50:00—Forgot to turn her mic on. She does this all the time.		12:30—Confusion on approving the agenda. Called for vote to approve after it was approved with an amendment.	3:42:00—Interrupts vote for more clarification.	
	<b>Notes</b>	40:00—Reynoso says he's concerned about what's happening in closed session. Has to do with another board member. Needs transparency. 2:47:00—Interesting discussion on time management. McGee makes good points, and they seem to agree that they need to email questions to staff ahead of time, but also if staff doesn't know the answer, they should answer directly and not beat around the bush. Reynoso agreed, but McGee told him not to beat up the staff if they don't have it. Summary appears incorrect; they approved the board bylaw on first reading with amendment instead of bringing it back for a second reading.				
3/6/2014	<b>Notes</b>	*No Video*				
3/12/2014	<b>Unprofessional/ Inappropriate Behavior</b>			1:21:00—shows frustration with community member.	32:00—Calls out staff for mischaracterizing the board. 1:40:00—Seems disorganized when trying to pull items from the consent agenda.	2:15:00—Complains when Reynoso has another question. I can't hear what he said though.
	<b>Technical Mistakes</b>		2:26:10—Says how she's going to vote while trying to clarify details of the motion, after interrupting motion for discussion to clarify for the community.			
	<b>Notes</b>					
3/15/2014	<b>Notes</b>	*No Video* — Likely Cancelled — No records

		Ms. Lisa Brunner	Dr. Annette Walker	Mr. John Taylor	Dr. Luis Reynoso	Mr. William McGee
3/26/2014	Unprofessional/ Inappropriate Behavior				1:43:30—Being mildly contentious with superintendent/staff. 1:44:47—Sarcastic. 1:54:30—Asks Taylor to come back to him for his discussion, because he's still reading info in the item. Shows possibility that he didn't read it thoroughly beforehand. 2:03:30—Interrupting Ms. Walker in her last discussion comments. Seems to be impatient. 2:20:00—Backhanded compliment for presentation including pros and cons.	
	Technical Mistakes		1:57:00—Says she's 110% in favor of ratifying contract before the vote takes place.	1:37:00—Did not conduct vote for moving action items to the consent agenda.		1:58:00—Says he's going to support the contract before they've voted on it.
	Notes	Are board members allowed to have other people speak during their comments in Comments by the Board Members? 59:00—Attendance Clerk from Eldridge chastises board for announcing them cutting her hours at meeting without telling her in advance.				
4/9/2014	Unprofessional/ Inappropriate Behavior	2:08:20—Interrupts Reynoso to defend herself. Taylor gets her to stop.	2:01:50—Interrupts Reynoso to point out that they just said they would have pros and cons next meeting.		1:04:30—Asks question that probably could've been asked in advance. Being mildly contentious in questioning. Ends up arguing with superintendent. 1:16:00—Lectures staff/superintendent. 2:01:50—Chastises staff for not giving pros and cons, even though it was explicitly stated that they will be provided next meeting. Mildly contentious. 2:08:20—Says Mes. Brunner's train of thought is wrong. Being contentious.	
	Technical Mistakes			41:00—As president, did not clarify time limit for community member speaking with translation.	1:16:45—Says he's going to vote no as he's making motion before vote is conducted.	
	Notes	Reynoso has pattern of questioning in such a way as to imply staff/superintendent is unprepared when he is unprepared himself. Walker has a pattern of taking time to explain things to community that could be confusing.				
5/7/2014	Unprofessional/ Inappropriate Behavior	2:14:00—left the room briefly at some point during community comments on the superintendent's contract	2:14:00—left the room briefly at some point during community comments on the superintendent's contract		2:20:00—left room briefly at this time. 3:28:30—Being mildly contentious in his questioning.	
	Technical Mistakes			2:01:00—Allowed discussion on I.15 and I.16 before previous items were voted on. 3:06:30—Brunner has to remind him to actually vote to table item.		
	Notes	Superintendent Dobbs has A LOT of community support at this time. They table the contract, because board wanted to look closer at it. They could've done a better job being prepared by reading ahead of time.

		Ms. Lisa Brunner	Dr. Annette Walker	Mr. John Taylor	Dr. Luis Reynoso	Mr. William McGee
5/21/2014	Unprofessional/ Inappropriate Behavior				1:13:30—Being mildly contentious. Says his question is simple, when it requires explanation. Didn't send questions beforehand, and staff can't answer all questions. Misrepresents budget information. 1:21:40—being impatient with staff. 1:34:20—talks over Ms. Brunner. 1:47:30—Asking same questions as in previous meetings. Sounds impatient with staff. 1:54:00—Argues with superintendent about what can/should be on minutes. 3:08:00—After everyone else tried to do some damage control, he started criticizing the superintendent for not balancing the budget. 3:40:00—Being contentious with staff. 4:09:00—Being mildly contentious. To give him credit, he stopped himself before he got carried away.	
	Technical Mistakes	2:56:30—Says “I will be voting for the contract” before the vote takes place.	44:30—claims board is trying to censor her. I can't hear what other board members said on video.	44:30—Tried to talk to Walker about comments. Was she out of line?	2:10:00—Interrupting Ms. Walker as she explains controversy from October. 2:15:00—Steps out of the room during community comments on superintendent contract.	
	Notes	47:21—Walker says details of contract cannot be publicly discussed until all terms are agreed upon, and questions why it was agenda-ized last meeting. Who is at fault? 1:18:00—audience gets unruly, due to Reynoso's discussion with staff. 1:22:00—Walker asked question in advance, an obvious contrast with Reynoso. 1:57:00—Board and superintendent/ staff needs to be on the same page, as far as minutes are concerned. 2:05:20—“What are you talking about?” to Reynoso, claps from the audience. Long argument ensued about what happened in October with the appointment of Superintendent Dobbs. 2:12:40—San Leandro Board President chastises board. 2:39:00—Reynoso chastised by constituent; felt disrespected by him walking out of the room. 2:58:20—Walker hints at problems in leadership to blame for contract issues. Defends board.				
6/18/2014	Notes	*No Video*				
6/25/2014	Unprofessional/ Inappropriate Behavior				2:46:00—Being mildly contentious with staff.	4:16:00—Implies he's being bullied (by Reynoso) into saying yes, but is not a rubber-stamper, but will continue to ask questions that need to be asked.
	Technical Mistakes	3:49:10—Said she will approve it before they voted on the reorganization plan. 4:13:45—Says how she's going to vote before voting.	3:34:30—Says she in favor of the bond before they voted on it.		1:26:00—Says how he's going to vote. 3:30:00—Trying to keep asking questions during deliberations.	1:25:28—Says how he's going to vote
	Notes	Walker does a good job filling in for teleconferencing-Taylor. 3:36:00—Reynoso wanted to pass the bond at a higher amount, but the rest of the board didn't feel comfortable doing so due to the shortness of time and the lateness of the hour. Reynoso tends to discuss with a contentious/confrontational tone, but he was much better this meeting than others in the past.

	<b>Technical Mistakes</b>					
	<b>Notes</b>	38:30—Defends staff over ongoing parent complaint, whom Reynoso defended during his comments. Same community member (Ms. Sinkler-Wright) has comments at 46:00. 1:06:00—Superintendent points out something in writing which seems to discount Reynoso's concerns.

	<b>Notes</b>	Board elections went well. Board seems to have camaraderie. Good meeting, not much to report. Good discussion on Marching Band P.E.

	Technical Mistakes					
	Notes	McGee chose to abstain from a couple of votes, due to not receiving his board packet from staff with enough time to make an informed decision. Staff did take responsibility. Reynoso does a good job this meeting at sharing his questions/comments/concerns with staff in a respectful manner. I did not notice any technical mistakes.

	Technical Mistakes			10:00—Confusion on passing motion to approve amended agenda.		
	Notes	Everyone seems to be in a good mood this meeting. Board looks like they're having fun, specifically during measure L discussion. 1:19:00—Reynoso not satisfied with staff's reports on the details for student discipline/expulsions. 2:46:00—Long discussion on what to do for the ballot for CSBA. It takes a long time for them to come to a decision. Meeting lags on. 2:58:00—Superintendent expresses that he wishes it would've been known that students were waiting to address the board, even as the meeting had gone late. The CSBA voting dragged on as trustees could not agree who to support and how to vote. 3:09:00—They had to return to closed session before coming back to close the meeting.				
3/11/2015	Unprofessional/Inappropriate Behavior				1:40:30—Left the room at some point during Superintendent's presentation. and missed 3 votes.	
	Technical Mistakes					
	Notes	Community is really upset about the reassignment of Villanueva. It was a long meeting, but not much to note. 3:09:00—Reynoso has valid concerns regarding budget. Conveys point with seriousness without being condescending.

	Technical Mistakes			1:38:20—Almost forgot to let Mr. Drake speak on item. Didn't call him up until after the vote. 2:08:30—Doesn't let Drake speak until after the vote. Is this normal for consent agenda?		
	Notes	This is the longest meeting I've observed thus far. The closed session was called into order at 5:02PM, and the meeting was adjourned at 1:15AM. 1:49:30—Dobbs tells board that to do what Reynoso suggests would delay productivity of measure L construction. 1:52:30—In response to Dobbs and Reynoso's concerns, Walker lectures staff to work with board more flexibly, and follow up on concerns. 1:56:40—Taylor refutes Reynoso's claims that those who hired vendor didn't know anything about construction due to his personal experience in building a school. 2:27:00—Long discussion on bylaws. Discussion has spanned multiple meetings, and probably could've been resolved in a more timely manner. 4:57:00—Taylor cuts Reynoso off, and asks him to give staff the rest of his questions via email, so that be meeting can move on, due to time.				
5/20/2015	Unprofessional/ Inappropriate Behavior				2:54:08—Being contentious with staff. 3:03:00—Being argumentative with staff. 3:13:30—Being a little condescending. 3:37:10—Sarcastic. 3:53:42—Being argumentative. 4:17:10—Being argumentative. Being difficult during entire J.8 discussion. Chastises presenter.	
	Technical Mistakes			1:12:30—Confusion in how board questions fit in to the public hearing.		4:04:00—Leaves meeting early (10:43PM) because it was after 10:30, and there was no time-check and no vote to extend the meeting. He did this to stress the importance of following the policy they set for themselves, after last meeting went so late.
	Notes	A LOT of cards for comments from the community. 1:21:20—Reynoso apologizes to public for shifting agenda to accommodate time sensitive hearing, even though there is a large number of speaker cards for general comments. All about underpaid teachers. 1:29:36—Someone in audience boos when Taylor announces that community members will only have one minute each so they can get through the large quantity of cards. 2:45:00—McGee voices concerns about time, and efficiency, and meeting structure. 3:42:00—Reynoso voices his concerns with how staff ordered the agenda, and allowing presentations involving kids to be done earlier. 4:12:00—Documents provided by staff are confusing to the trustees.

6/17/2015	<b>Unprofessional/ Inappropriate Behavior</b>	3:15:45—Raises her voice during questioning.			2:34:00—Being argumentative with staff. 3:24:50—Persisting in asking questions that the superintendent insists can be answered by next meeting.	
	<b>Technical Mistakes</b>			41:50—A little confusion on point of order in dealing with Mr. Drake.		
	<b>Notes</b>	Documents from staff were poorly organized this meeting. It takes a long time this meeting to get through consent agenda. Discussions stay civil; not too much to comment on. Minutes incorrectly recorded 2 of the votes in this meeting. Board bylaw discussion is drawn out due to issues in organization and language. 40:00—Community member Mr. Drake has complaint towards board's treatment of him. 43:00—McGee points out point of order confusion. Taylor stands strongly with his position.				
6/24/2015	<b>Unprofessional/ Inappropriate Behavior</b>		4:06:30—A lot of confusion on order in agenda. Everyone seems at least a little confused, not just Walker.		1:28:18—Sarcastic with staff due to disorganized documents. 1:34:25—Being condescending to staff. 1:49:45—Being argumentative. 2:17:20—Asking questions concerning parts of the presentation that hasn't been presented yet. 2:43:00—Being contentious with superintendent. 4:11:30—Chastises staff.	
	<b>Technical Mistakes</b>		3:38:50—Confusion in order. Trustees talking over each other.	Teleconferencing. The phone call is cut off at different points, resulting in being absent for several votes.	3:38:50—Talking over Walker. 4:44:50—Tries to talk while Walker has the floor. She corrects him.	
	<b>Notes</b>	McGee upset from the outset at agenda construction and honoring trustees' requests. Threatens to start voting no on agenda and leaving early from meetings if issue doesn't get resolved. [Minutes incorrectly records McGee as voting no on approving the agenda, when the vote officially carries 5-0-0.]. In my opinion, far too much time was spent discussing I.10, when the recommendation from the superintendent was to table it due to incomplete information. Questions probably could've been asked outside of the meeting. 8:15—Reynoso concerned with staff's organization of materials. Second meeting in a row of tab-less disorganized notes for meeting from staff. Ms. Brunner concurs with these concerns at 9:30 in video. 35:30—Reynoso pulls all items from consent agenda. Kind of negates the point of the consent agenda. 4:57:40—McGee and Reynoso walk out due to lateness. Reynoso abstains from votes and thinks there should be more time to discuss items; McGee didn't think that time was respected. McGee returns so the meeting can be concluded so that there is quorum.				
7/15/2015	<b>Unprofessional/ Inappropriate Behavior</b>	1:59:20—Makes a sarcastic remark, but immediately apologizes for it.	36:50—Absent from consent agenda through J.4. Back at 1:44:00.			
	<b>Technical Mistakes</b>					
	<b>Notes</b>	This meeting went far smoother than the previous one. Not much to comment on. Reynoso absent for entire open session; Walker absent for much of it. Bylaw discussion lengthy, but in order to complete it so it didn't have to come back for another meeting. 2:57:00—Public commenter lectures the board about working together.				
8/12/2015	<b>Unprofessional/ Inappropriate Behavior</b>	26:10—Did ask staff questions in advance, but did so the night before. It wasn't a problem, but she could've done so earlier for staff's sake. 1:04:14—Raises her voice at the superintendent.	1:02:10—Argues with Reynoso regarding contract item.	1:36:00—Argument ensues when he defends his right to express his opinions in public, while other trustees argue that he and superintendent represented the board in press release.	30:30—Being sarcastic/ contentious with staff. 45:40—Condescending towards superintendent. Leads to argument with superintendent. 1:02:10—Argues with Walker regarding contract item. 1:20:00—Talking over Taylor. 3:26:30—Being sarcastic and rude with presenter.

	<b>Notes</b>	This meeting was held at the HUSD district office's board room. 1:09—Brunner spearheads effort to not approve firm 4 in I.11 regarding Measure L construction, due to surprising K-8 language, instead of previously discussed K-6. Reynoso and McGee both concur. The board seems to feel blindsided by K-8 specification. Superintendent Dobbs pleaded with the board to accept the contracts, so that Measure L construction won't be delayed. They decided to accept 1, 2, and 3, but not approve 4. 1:39:30—McGee reminds board to be careful about how they respond to praise and criticism, and how they represent each other in the public eye.				
9/16/2015	<b>Unprofessional/ Inappropriate Behavior</b>	1:45:10—Raises her voice during J.1 measure L discussion. 2:49:45—Sounds impatient during I.2 discussion.		1:45:20—Also raises his voice in discussion with Ms. Brunner. The question is when the architect needs to come on board.	2:53:50—Sounds condescending. 3:29:40—Being argumentative with staff. 3:52:30—Contentious with legal counsel.	
	<b>Technical Mistakes</b>	31:00—Tries to correct Reynoso while he asks questions of special presenter.	31:00—Trying to keep order while Taylor is out of the room.		31:00—Asking questions of special presenters. Is that allowed?	
	<b>Notes</b>	This was the meeting where the altercation between Superintendent Dobbs and McGee and Reynoso took place in closed session a few minutes prior. Dobbs was absent or open session. With time sensitive item messing with the agenda order, the confusion in the agenda's order really slowed down the meeting. There is a complaint by Reynoso at 2:39:20 in regards to the disorganized materials given from staff. 1:25:00—Some confusion on order and bundling of items, due to J.1 being time sensitive, and presented before everything else. 1:47:00—Much confusion on construction timeline and architects. 2:59:35—Talking in circles about planning and contract.				
9/24/2015	<b>Notes</b>	*No Video*				
9/30/2015	<b>Unprofessional/ Inappropriate Behavior</b>			2:22:20—Out of the room while pulled items were passed from consent agenda and J. 1. Walker fills in.	2:14:45—Leaves early.	
	<b>Technical Mistakes</b>			3:26:45—Point of order, in allowing Mr. Ratto for speaking longer than allotted time. Corrected by McGee.		
	<b>Notes</b>	This is the first regular meeting following the board's altercation with the superintendent, so the fallout is addressed. The official will of the board was to accept the apology and move forward, but Reynoso doesn't seem ready to do so individually. Beyond public comments and board comments, the meeting actually ran smoothly. 51:00—Reynoso lectures public about discipline. Public stands by Dobbs. 1:08:00—Walker's comments more in line with public's favor.				
10/14/2015	<b>Unprofessional/ Inappropriate Behavior</b>				55:30—Reynoso defends himself during board comments. Clarifies that "Board Will" is majority, not will of necessarily everybody, which is okay for him to say, but could hurt board unity in the long run. 2:36:40—A little sarcastic.	
	<b>Technical Mistakes</b>					
	<b>Notes</b>	Relatively quick meeting. Comments and special features took longer than consent and action/discussion items. Seemed to be very professional; not much to comment on.

10/28/2015	Unprofessional/ Inappropriate Behavior			Absent for beginning of open session, but back at 1:12:00.	40:00—Brings up altercation with superintendent. Says he isn't going to drop it. Lectures community and city council about support of Dobbs. Says City Council condones school violence. Needs "closure" via change of policy. Claims board denied him legal assistance, Walker says it's not true. 2:14:00— Being condescending towards staff. 2:25:00— Seems confused. A little argumentative. Could've done more research beforehand. 3:25:00— Argumentative.	
	Technical Mistakes			1:21:25— Point of order. Does not stop community member when she ignores his instruction to speak on personnel issue. She goes on to use fowl language, and he almost had her escorted out of the room, but decided to let her finish. Then, when she goes over time and has to be removed from the room. Though he takes strong stand against such behavior, he could've handled her much better.	1:25:30— Interrupts Taylor to give dissent.	
	Notes	Recurring issue with Taylor's ability to control the meeting as president, and with Reynoso's ability to get along respectfully.				
11/18/2015	Unprofessional/ Inappropriate Behavior				Absent for open session.	
	Technical Mistakes					
	Notes	Meeting went very smoothly and professionally. Not much to comment on. Every discussion was civil. 2:44:00— Question of frequency of work sessions come up in discussion. The board acknowledges that work sessions are few and far between.				
12/9/2015	Unprofessional/ Inappropriate Behavior				1:18:30— Condescending during board comments. Claims former board president had history of berating public speakers and apologizes. Says he did not go into closed session because superintendent didn't answer question if he's fit to do so safely. Still not dropping issue from Sept. 1:41:00— Speaking over Ms. Brunner. 3:20:00— Condescending. 3:25:00— Being contentious with Brunner. 3:57:00— Sarcastic.	2:39:35— Sounds impatient with board members. 4:03:00— Leaves meeting early during J.1, likely due to the lateness.

	<b>Technical Mistakes</b>	4:18:00—Debate on whether a motion can be passed by 2-1 vote majority of participating members, but not board majority. Legal later contradicts her assertions, and special board meeting is required.		Left early, due to not feeling well. Walker filled in for his clerk duties.	4:20:05—Walks out of meeting, leaving only Walker and Brunner. No quorum.	2:43:20—Says how he's going to vote.
	<b>Notes</b>	Board elections this meeting. Brunner becomes President, Walker stays VP, Taylor becomes clerk. Meeting forced to end early due to lack of quorum, forcing several items to be tabled, including donations, which is unacceptable. Not a good first meeting for Brunner as president. 25:00—Reynoso wants to change the order of the agenda so that superintendent's comments come before public comments. They approve change for this meeting only, with intent to revisit the policy. 2:23:20—Reynoso complains about organization of meeting materials from staff. Still no tabs. 3:28:20—Crowd gets a little rowdy during minutes discussion.

1/13/2016	<b>Unprofessional/ Inappropriate Behavior</b>				28:40—Chastises staff on multiple issues. Condescending. Brings up September altercation, and says it was never resolved. 3:11:25—Insults Hayward City Council. 3:28:20—Argumentative. 3:55:10—Sarcastic. 4:21:45—Being contentious.	
	<b>Technical Mistakes</b>				56:10—Tries to correct Brunner on her description of public comments. Argues. 3:07:25—Says he's not going to approve something before vote takes place.	
	<b>Notes</b>	Meeting went relatively smoothly, however length is still an issue. Due to public hearing being labeled time-sensitive, they were still in the middle of the consent agenda at 10:00PM.				
1/20/2016	<b>Notes</b>	*No Video*				
1/27/2016	<b>Unprofessional/ Inappropriate Behavior</b>		Not present for open session.	3:40:40—Leaves about 25 minutes early.	29:00—Denies claims that board needs to communicate better or need any additional training. Implies insult towards superintendent. Again brings up altercation with superintendent. 2:38:20—Sounds condescending and sarcastic towards staff.	
	<b>Technical Mistakes</b>				44:15—Argumentative with superintendent about law regarding public comments. Brunner cuts them off to move the meeting along. 2:00:50—Says he's going to approve something before the vote takes place. 2:04:30—Leaves room briefly, misses a vote.	
	<b>Notes</b>	Brunner appears to be doing a great job as board president. Both Taylor and Brunner call out charter schools for comparing themselves to HUSD public schools. Shows board solidarity in support of community. 2 items were tabled at the end of the meeting, due to time. 47:00—Community member lectures board on honesty and transparency surrounding September altercation and other issues.

Claims that the board needs to see evaluations, superintendent claims no requests were made.	Absent for entire meeting.
	<b>Technical Mistakes</b>		3:15:30—Says how she's going to vote before the vote takes place.		3:55—Discussion on whether public comments can be made during pledge of allegiance. Discussion happens while kids are standing, waiting to lead in pledge. Superintendent reiterate that it can't be allowed, according to legal counsel.	
	<b>Notes</b>	1:21:45—During public comments, strong rebuke by John Taylor to those wasting board's time: "It's all about the kids." 1:31:00—Walker promises no more "business as usual." The board is working to improve meetings. 1:42:30—Public comments finally concludes.
